to the Minutes of 84-EA&QEC/EAB Meeting held on November 1, 2017 at PEC HQ, Islamabad.

**Agenda Item No. 03 (a) Consideration of PEC Visit Reports  
(Accreditation/Re-accreditation, Level-I)**

**Zone-I (Punjab)**

S#	Name of University/Program Profile		Decision of 84-EA&QEC/EAB
<b>01.</b>	<b>University College of Engineering and Technology, Sargodha</b>		
a.	Program	B.Sc. Electrical Engineering	<p>Accreditation is deferred till the compliance on following to be verified through a confirmatory visit:</p> <ol style="list-style-type: none"> <li>Establishment and conduct of Labs of Microprocessor Systems and Electro Mechanical System-II.</li> <li>Hiring of dedicated Lab Engineers (04 in total).</li> <li>Increase in number of relevant tiles / books as per PEC requirement.</li> <li>To bring student teacher ratio to a minimum of 20:1</li> </ol> <p>The Committee showed serious concern on violating increased number of students and DAE seats than allowed in year 2013 to 2016 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties. The institute is advised for adherence of allowed intake of 40 students per year in Fall only.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p>

a.	Program	B.Sc. Petro/Gas Engineering	Based on major weaknesses & concerns in few of the criteria and partial implementation of OBE, re-accreditation is granted for two years i.e., Intake Batches 2013 & 2014 under Level-I (PEC Manual 2007).  As the implementation of the OBE is very rudimentary to the program, therefore evaluation results and data was not completely supportive to the statements as per the SAR-2017. Understanding of basic OBE concepts of the faculty was at preliminary level.  According to the available documentation and as per the SAR submitted in February 2017, implementation of OBE is very recent i.e. 2015.  The Institution, however, is required to address the weak areas, particularly in Criteria 1, 2, 3, 5, 6 & 8. Furthermore, all other observations as mentioned in the detailed report be addressed as a part of its CQI process before applying for re-accreditation visit under OBA.

a.	Program	B.Sc. Mechanical Engineering	Permission is granted to continue the program.
	Current Status	Interim	The Committee showed serious concern on violating increased number of students and DAE seats than allowed in year 2014 to 2016 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties. The institute is advised for adherence of allowed intake of 40 students per year in Fall only.  The Institute is required to hire one Associate Professor / Professor in Mechanical Engineering.  Further, the university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR), inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).  The observations/Concern/weak areas identified by the PEC visitation team must be addressed.
