

**ACCREDITATION AND RE-ACCREDITATION DECISIONS AS PER PEC 100th EAB/EA&QEC MEETING
HELD ON APRIL 12, 2021**

Note:

- It is to clarify that decisions given below are the summarized decisions regarding the programs for general/public information. However, detailed decisions are being communicated separately to respective Higher Education Institutions (HEIs) through official letter(s).
- Programs Accredited Under Level-I mean that the program satisfies the accreditation criteria of PEC Accreditation Manual-2007.
- Programs Accredited under Level-II mean that the program satisfies the accreditation criteria of PEC Accreditation Manual-2014 (Substantially equivalent to Washington Accord).

S/N	HEI	Engineering Program	100 th EAB/EA&QEC Decision	Under Level-I / Level-II
Zone-I (Punjab)				
Annex-A				
[Consideration of Physical Visit Reports (Manual 2014) [Accreditation/Re-accreditation]				
1.	Muhammad Nawaz Sharif University of Engineering & Technology, Multan	B.Sc. Electrical Engineering	Provisional Accreditation already granted for Two Years i.e., Intake Batches 2015 & 2016 under Level-I, is validated. Further, HEI is advised to apply afresh for accreditation of Intake Batch-2017 & onwards after overcoming all the deficiencies and major weak areas as mentioned in detailed report.	Level-I
2.	Islam College of Engineering & Management Sciences, Sialkot (University of Engineering and Technology, Lahore)	B.Sc. Electrical Engineering	Provisional Accreditation already granted for One Year i.e., Intake Batch 2015 under Level-I, is validated. Next SAR will only be entertained after submission of satisfactory compliance report on all the deficiencies and weaknesses mentioned in visit report. The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC.	Level-I
3.		B.Sc. Mechanical Engineering	Provisional Accreditation already granted for One Year i.e., Intake Batch 2015 under Level-I, is validated. Next SAR will only be entertained after submission of satisfactory	Level-I

			<p>compliance report on all the deficiencies and weaknesses mentioned in visit report.</p> <p>The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC.</p>	
4.	Pir Mehr Ali Shah - Arid Agriculture University, Rawalpindi	B.Sc. Agricultural Engineering	<p>Provisional Accreditation already granted for Two Years i.e., Intake Batches 2015 & 2016 under Level-I, is validated.</p> <p>Next SAR will only be entertained after submission of satisfactory compliance report on all the deficiencies and weaknesses mentioned in visit report.</p>	Level-I
5.	Quaid-e-Azam College of Engineering and Technology, Sahiwal (University of Engineering and Technology, Lahore)	B.Sc. Electrical Engineering	<p>Provisional Accreditation already granted for One Year i.e., Intake Batch 2016 under Level-I, is validated.</p> <p>Further, re-accreditation is also recommended for Intake Batch 2017 under level-I subject to a satisfactory compliance report on observations mentioned in detailed decision.</p> <p>The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC</p> <p>The observations for compliance and CQI are mentioned in detailed decision.</p>	Level-I
6.		B.Sc. Mechanical Engineering	<p>Provisional Accreditation already granted for One Year i.e., Intake Batch 2016 under Level-I, is validated.</p> <p>Further, re-accreditation is also recommended for Intake Batch 2017 under level-I subject to a confirmatory visit.</p> <p>The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC</p> <p>The observations for compliance and CQI are mentioned in detailed decision.</p>	Level-I
7.	University of Engineering and Technology, Lahore	B.Sc. Architectural Engineering	<p>Provisional Accreditation already granted for Two Years i.e., Intake Batches 2015 & 2016 under Level-II, is validated.</p> <p>Further, re-accreditation is also granted for One Year i.e., Intake Batch 2017 under Level-II.</p>	Level-II

			The observations for compliance and CQI are mentioned in detailed decision.	
8.	The University of Faisalabad, Faisalabad	Bachelor of Chemical Engineering	Provisional Accreditation already granted for One Year i.e., Intake Batch 2016 under Level-I, is validated. Next SAR will only be entertained after submission of satisfactory compliance report on all the deficiencies and weaknesses mentioned in visit report. The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC	Level-I
9.		Bachelor of Electrical (Electronics/Computer Systems/Power) Engineering	Provisional Accreditation already granted for One Year i.e., Intake Batch 2016 under Level-I, is validated. Further, re-accreditation is also granted for One Year i.e., Intake Batch 2017 under Level-II. The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC The observations for compliance and CQI are mentioned in detailed decision.	Level-I Level-II
10.		Bachelor of Civil Engineering	Provisional Accreditation already granted for One Year i.e., Intake Batch 2015 under Level-I, is validated. Further, re-accreditation is also granted for One Year i.e., Intake Batch 2016 under Level-I. The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC The observations for compliance and CQI are mentioned in detailed decision.	Level-I
11.	Namal Institute, Mianwali (University of Engineering and Technology, Lahore)	B.Sc. Electrical Engineering	Provisional Accreditation already granted for One Year i.e., Intake Batch 2016 under Level-I, is validated. Further, re-accreditation is also granted for One Year i.e., Intake Batch 2017 under Level-I.	Level-I

			<p>Next SAR will only be entertained after submission of satisfactory compliance report on all the deficiencies and weaknesses mentioned in visit report.</p> <p>The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC</p>	
12.	NFC Institute of Engineering & Technology, Multan	B.Sc. Petroleum & Gas Engineering	<p>Accreditation is granted for Two Years i.e., Intake Batches 2015 & 2016 under Level-I.</p> <p>Next SAR will only be entertained after submission of satisfactory compliance report on all the deficiencies and weaknesses mentioned in visit report.</p>	Level-I
13.		B.Sc. Civil Engineering	<p>Provisional Accreditation already granted for Two Years i.e., Intake Batches 2015 & 2016 under Level-I, is validated.</p> <p>Further Intake is stopped till the satisfactory compliance on observations mentioned in detailed decision.</p> <p>Next SAR will only be entertained after submission of satisfactory compliance report mentioned in detailed decision</p>	Level-I
14.	Fatima Jinnah Women University, Rawalpindi	B.Sc. Software Engineering	<p>Provisional Accreditation already granted for Two Years i.e., Intake Batches 2014 & 2015 under Level-I, is validated.</p> <p>Further, re-accreditation is also granted for One Year i.e., Intake Batch 2016 under Level-I.</p> <p>Next SAR will only be entertained after submission of satisfactory compliance report on all the deficiencies and weaknesses mentioned in visit report.</p>	Level-I
15.	University College of Engineering and Technology, Multan (Bahauddin Zakariya University, Multan)	B.Sc. Mechanical Engineering	<p>Provisional Accreditation already granted for Two Years i.e., Intake Batches 2015 & 2016 under Level-I, is validated.</p> <p>Next SAR will only be entertained after submission of satisfactory compliance report on all the deficiencies and weaknesses mentioned in visit report.</p>	Level-I
16.		B.Sc. Textile Engineering	<p>Provisional Accreditation already granted for Two Years i.e., Intake Batches 2015 & 2016 under Level-I, is validated.</p> <p>Next SAR will only be entertained after submission of satisfactory compliance report on all the deficiencies and weaknesses mentioned in visit report.</p>	Level-I

17.	Pakistan Institute of Engineering & Technology, Multan (University of Sargodha)	B.Sc. Electrical Engineering	Provisional Accreditation already granted for One Year i.e., Intake Batch 2016 under Level-I, is validated. Next SAR will only be entertained after submission of satisfactory compliance report on all the deficiencies and weaknesses mentioned in visit report.	Level-I
18.		B.Sc. Civil Engineering	Provisional Accreditation already granted for Two Years i.e., Intake Batches 2015 & 2016 under Level-I, is validated. Further, Intake is stopped till submission of satisfactory compliance on observations mentioned in detailed decision Next SAR will only be entertained subject to submission of satisfactory compliance mentioned in detailed decision The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC	Level-I
19.		B.Sc. Mechanical Engineering	Provisional Accreditation already granted for Two Years i.e., Intake Batches 2015 & 2016 under Level-I, is validated. Furthermore, Next SAR will only be entertained subject to submission of satisfactory compliance mentioned in detailed decision The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC	Level-I
20.	NFC Institute of Engineering & Fertilizer Research, Faisalabad (University of Engineering and Technology, Lahore)	B.Sc. Civil Engineering	Provisional Accreditation already granted for One Year i.e., Intake Batch 2015 under Level-I, is validated Further, Intake is stopped till submission of satisfactory compliance mentioned in detailed decision Next SAR will only be entertained subject to submission of satisfactory compliance mentioned in detailed decision The observations for compliance and CQI are mentioned in detailed decision.	Level-I
21.	Khwaja Fareed University of Engineering &	B.S Electrical Engineering	Re- Accreditation is granted for One Year i.e., Intake Batch 2016 under Level-I Next SAR will only be entertained after submission of satisfactory	Level-I

	Information Technology, Rahim Yar Khan		<p>compliance report on all the deficiencies and weaknesses mentioned in visit report</p> <p>The observations for compliance and CQI are mentioned in detailed decision.</p>	
22.		B.S Mechanical Engineering	<p>Re- Accreditation is granted for One Year i.e., Intake Batch 2016 under Level-I.</p> <p>Next SAR will only be entertained after submission of satisfactory compliance report on all the deficiencies and weaknesses mentioned in visit report</p> <p>The observations for compliance and CQI are mentioned in detailed decision.</p>	Level-I
23.	University of Agriculture, Faisalabad	B.Sc. Energy System Engineering	<p>Provisional Accreditation already granted for Two Years i.e., Intake Batches 2014 & 2015 under Level-I, is validated.</p> <p>Further, re-accreditation is also granted for One Year i.e., Intake Batch 2016 under Level-I</p> <p>Next SAR will only be entertained after submission of satisfactory compliance report on all the deficiencies and weaknesses mentioned in visit report.</p>	Level-I
24.		B.Sc. Food Engineering	<p>Provisional Accreditation already granted for Two Years i.e., Intake Batches 2013 & 2014 under Level-I, is validated.</p> <p>Further, re-accreditation is also recommended for Two Years i.e., Intake Batches 2015 & 2016 under Level-I subject to submission of satisfactory compliance on observations mentioned in detailed decision.</p> <p>Next SAR will only be entertained after submission of satisfactory compliance report on all the deficiencies and weaknesses mentioned in visit report</p>	Level-I
25.		B.Sc. Environmental Engineering	<p>Provisional Accreditation already granted for Two Years i.e., Intake Batches 2014 & 2015 under Level-I, is validated.</p> <p>Further, re-accreditation is also recommended for One Year i.e., Intake Batch 2016 under Level-I subject to submission of satisfactory compliance mentioned in detailed decision</p>	Level-I

			Next SAR will only be entertained after submission of satisfactory compliance report on all the deficiencies and weaknesses mentioned in visit report	
26.	The Hajvery University, Lahore	B.E. Electrical (Electronics/Telecommunication)	Accreditation of Intake Batches 2015 & 2016 is deferred due to reasons mentioned in detailed decision The observations for compliance and CQI are mentioned in detailed decision	-----
27.	Institute of Advanced Materials, Bahauddin Zakaraya University, Multan	B.Sc. Metallurgy & Materials Engineering	Re- Accreditation is granted for Two Years i.e., Intake Batches 2015 & 2016 under Level-I. The observations for compliance and CQI are mentioned in detailed decision	Level-I

Annex-B

Consideration of Physical Visit Reports [Zero/Special Zero/Interim/Change of Scopes, Confirmatory]

1.	National University of Computer and Emerging Sciences, Islamabad (Lahore Campus)	Bachelor of Science (B.S) in Electrical (Electronics/Telecommunication/Computer) Engineering	Permission is granted for the change of nomenclature from B.S Electrical (Electronics/Telecommunication/Computer) Engineering to B.S (Electronics/Telecommunication/Computer/Power) Engineering with effect from Fall-2021. The observations for compliance and CQI are mentioned in detailed decision	N.A
2.	Army Public College of Management and Science, Rawalpindi (University of Engineering and Technology Taxila)	B.Sc. Software Engineering	Permission is granted to continue the program subject to submission of satisfactory compliance report on observations mentioned in detailed decision. The observations/ weak areas/ concerns identified by the PEC visitation team in visit report must be addressed before applying for subsequent PEC visit.	N.A
3.		B.Sc. Civil Engineering	Permission is granted to continue the program subject to submission of satisfactory compliance report on observations mentioned in detailed decision. The observations/ weak areas/ concerns identified by the PEC visitation team in visit report must be addressed before applying for subsequent PEC visit.	N.A

4.	NFC Institute of Engineering & Technology, Multan	B.Sc. Environmental Engineering	Based on the observation/ deficiencies & weaknesses highlighted in visitation report, permission is not granted to continue the program. Further, the students of enrolled batches (2017 & 2018) should be transferred to an accredited program of an HEI, under intimation to PEC, to ensure proper Teaching–Learning & Assessment of the graduates as per PEC policy. The parent HEI will bear all the cost in this regard. Since there is no intake after 2018, therefore program is permanently closed.	N.A
5.		B.Sc. Energy System Engineering		
6.	University of Engineering and Technology, Lahore (Faisalabad Campus)	B.Sc. Textile Engineering	Permission is granted to continue the program. However, the observations/ weaknesses and concerns identified in the PEC visitation report must be addressed. Further, to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for accreditation.	N.A
7.	Khwaja Fareed University of Engineering and Information Technology, Rahim Yar Khan	B.Sc. Chemical Engineering	Permission is granted to continue the program subject to submission of satisfactory compliance report on observations mentioned in detailed decision within three (03) months. The observations/ weak areas/ concerns identified by the PEC visitation team in visit report must be addressed before applying for subsequent PEC visit.	N.A
8.		B.Sc. Agricultural Engineering	Permission is granted to continue the program subject to submission of satisfactory compliance report on observations mentioned in detailed decision within three (03) months. The observations/ weak areas/ concerns identified by the PEC visitation team in visit report must be addressed before applying for subsequent PEC visit.	N.A
9.	University of Engineering & Technology, Lahore (Narowal Campus)	B.Sc. Civil Engineering	Based on assessment and satisfactory compliance, re-accreditation is granted for One year i.e. Intake Batch 2016 only under Level-I. Further, the admission in Fall-2020 is regularized and permission is granted to admit students from Fall-2021 onwards. The HEI must ensure permanent/ regular Campus Coordinator and	Level-I
10.		B.Sc. Mechanical Engineering		
11.		B.Sc. Electrical Engineering		

			stay of faculty locally/ on campus for timely completion of labs/ infrastructure as well as sustainability of the campus.	
12.	University College of Engineering, Sciences and Technology Lahore Leads University, Lahore.	B.Sc. Mechanical Engineering	Based on physical verification and assessment during Confirmatory visit, re-accreditation is granted for Intake Batch Fall-2016 under Level-I. However, the observations/ deficiencies, weak areas and concerns identified in the PEC visitation report must be addressed	Level-I

S/N	HEI	Engineering Program	100 th EAB Decision	Under Level-I / Level-II
Zone-II (Sindh & Baluchistan) Consideration of Visit Reports (Manual-2014) [Accreditation / Re-accreditation]				Annex-A
1.	Mehran University of Engineering & Technology, Jamshoro	B.E. Mechatronics	Accreditation is granted for two years i.e., Intake Batches F-2016 & 2017 under Level-II. The observations for compliance and CQI are mentioned in detailed decision.	Level-II
2.	Sindh Agriculture University, Tando Jam	B.E. Agricultural	Re-Accreditation is granted for Intake Batch 2016 under Level-I. The observations for compliance and CQI are mentioned in detailed decision.	Level-I
Zone-II (Sindh & Baluchistan) Consideration of Visit Reports [Confirmatory/ Interim/Change of Scope]				Annex-B
1.	Balochistan University of Information Technology, Engineering and Management Sciences, Quetta	B.E. Civil	Based on physical verification and assessment during Confirmatory visit, re-accreditation is granted for One year i.e. Intake Batch 2016 under Level-II. The observations for compliance and CQI are mentioned in detailed decision.	Level-II
2.	National University of Science and Technology,	B.E. Civil	Based on physical verification and assessment during Confirmatory visit, the Intake of Fall-2019 is regularized and green signal is granted w.e.f. Fall-2020 and onwards. The intake must be restricted to 50 students per	-

	Islamabad (Baluchistan Campus)		year in a single entry. The observations for compliance and CQI are mentioned in detailed decision.	
3 (a)	Quaid –e- Awam University of Engineering Science & Technology, Larkana Campus	B.E. Civil	Based on physical verification and assessment during Confirmatory visit, re-accreditation is granted for One year i.e. Intake Batch 2016 under Level-I. Further, intake of the program is also resumed w.e.f. year 2020 and onwards. The observations for compliance and CQI are mentioned in detailed decision.	Level-I
(b)		B.E. Mechanical	Based on physical verification and assessment during Confirmatory visit, re-accreditation is granted for One year i.e. Intake Batch 2015 under Level-I. Further, intake of the program is also resumed w.e.f. year 2020 and onwards. The observations for compliance and CQI are mentioned in detailed decision.	Level-I
(c)		B.E Electronics	Based on physical verification and assessment during Confirmatory visit, intake is resumed w.e.f. Intake 2020 and onward. The observations for compliance and CQI are mentioned in detailed decision.	-
(d)		B.E Electrical	Based on physical verification and assessment during Confirmatory visit, intake is resumed w.e.f. Intake 2020 and onward. The observations for compliance and CQI are mentioned in detailed decision.	-
4 (a)	Quaid-e-Awam University of Engineering Science & Technology, Nawabshah	B.E. Energy & Environment	Based on physical verification and assessment during Confirmatory visit, re-accreditation is granted for One year i.e. Intake Batch 2017 under Level-I. The observations for compliance and CQI are mentioned in detailed decision.	Level-I
(b)		B.E. Mechanical	Based on physical verification and assessment during Confirmatory visit, re-accreditation is granted for One year i.e. Intake Batch 2017 under Level-I. The observations for compliance and CQI are mentioned in detailed decision.	Level-I

5.	Iqra University, Karachi (North Campus)	B.E. Computer Systems	Based on physical assessment and evaluation of the program, permission is granted to continue the program. Moreover, upon the request of HEI, intake is reduced from 80 to 40 students per year per intake w.e.f. Fall-2021. The observations for compliance and CQI are mentioned in detailed decision.	-
6 (a)	Karachi Institute of Economics & Technology (PAF-KIET), Karachi	B.E. Software	Based on physical assessment and evaluation of the program, permission is granted to continue the program. The observations for compliance and CQI are mentioned in detailed decision.	-
(b)		B.E. Avionics	Based on physical verification and assessment of the program, permission is granted to enhance the intake from 40 to 50 students per year in a single entry w.e.f. Intake Fall-2021. The observations for compliance and CQI are mentioned in detailed decision.	-

S/N	HEI	Engineering Program	100 th EAB/ EA&QEC Decision	Under Level-I / Level-II
Zone-III (Islamabad / AJK / KPK / GB) Consideration of Visit Reports (Manual-2014) [Accreditation / Re-accreditation]				Annex-A
1.	Abasyn University, Peshawar	BE Civil	Re-accreditation is granted for one (01) year i.e., Intake Batch 2017 (Spring & Fall) under Level-II. Further, re-accreditation is also recommended for intake batch 2018 under Level-II subject to submission of satisfactory compliance report on observations conveyed to the HEI in detailed decision.	Level-II
Zone-III (Islamabad / AJK / KPK / GB) Consideration of Visit Reports [Confirmatory/ Interim/Change of Scope Reports]				Annex-B
1.	Mirpur University of Science & Technology, Mirpur	B.Sc. Electrical Engineering (with specialization of	Based on physical verification and assessment during Confirmatory visit, re-accreditation is granted for One year i.e. Intake Batch 2016 under Level-II.	Level-II

		Power to be mentioned on transcript only)	The observations for compliance and CQI are mentioned in detailed decision.	
2.	Iqra National University, Peshawar	B.Sc. Civil Engineering	Re-accreditation is granted for One year i.e. Intake Batch 2016 under Level-I. The observations for compliance and CQI are mentioned in detailed decision.	Level-I
		B.Sc. Electrical Engineering	Re-accreditation is granted for One year i.e. Intake Batch 2016 under Level-I. The observations for compliance and CQI are mentioned in detailed decision.	Level-I
3.	University of Engineering and Technology, Peshawar (Bannu Campus)	B.Sc. Civil Engineering	Permission is granted for Change of Scope (Increase in Intake) from 40 to 100 students per year in a single entry w.e.f. Intake Fall-2020. The observations for compliance and CQI are mentioned in detailed decision.	-
		B.Sc. Electrical Engineering	Permission is granted for Change of Scope (Increase in Intake) from 40 to 100 students per year in a single entry w.e.f. Intake Fall-2020. The observations for compliance and CQI are mentioned in detailed decision.	-
4.	Ghulam Ishaq Khan Institute of Engineering Science & Technology, Topi – Swabi	B.Sc. Civil Engineering	Permission is granted to continue the program. The observations for compliance and CQI are mentioned in detailed decision.	-
5.	Karakoram International University, Gilgit	B.S. Mining Engineering	Permission is granted to continue the program. The observations for compliance and CQI are mentioned in detailed decision.	-
